**PRESENT:** Cllr W Clouston, Chairman of the Council together with Cllrs N M Oliver, C G Curry, M J Stone, Mrs J Neal, S Ahmed, L Rogers, Mrs M V Kemp and Ms C Burns.

1. **TO RECEIVE THE MINUTES OF THE 2022 ANNUAL PARISH MEETING.** The Minutes of the Annual Parish Meeting held on the 1<sup>st</sup> June 2022 having been circulated, were signed as a true record. There were no matters arising.
2. **PARISH COUNCIL - CHAIRMAN'S REPORT.** Cllr W Clouston presented his report on the work of the Council during the past year. The main achievements of the Parish Council over the past year were as follows:-
  - **Community Led Housing.** Taking possession of the first of the Community Led Housing and the letting of the property to a local person in need. The four units have been purchased without the need to borrow money; improvements around the village.
  - **Corchester Field** – a contractor has been appointed and work to refurbish the pavilion is imminent, fencing has been replaced.
  - **Market Place.** Plans for the Market Place are being taken forward. The consultation event was very helpful in determining the final plans. The comments are being reviewed and will be available at the June meeting.
  - **Cemetery Gates.** New gates have been installed.
  - **Handyman** is working very well in helping to improve the appearance of the village.

Due to the number of projects ongoing some things have ended up on the back burner. The Parish Council will focus on how the village looks and in particular the public realm. Parking and speeding continue to be an issue however it is hoped this will improve when the proposed 20mph limit is implemented. Thanks were expressed to all involved and to Chris Urwin, Mandy Senior and Andrew Cunningham. Thanks were also expressed to Ian Wylie for his work on Corbridge Matters.
3. **COUNTY COUNCILLOR'S REPORT.** Cllr N M Oliver gave a brief report on his work as a County Councillor over the past year.

**Community Led Housing Scheme.** This is a significant achievement for Corbridge Parish Council and the only one to be implemented by a Parish Council in the country. Parish Councils are no longer able to do this.

**Market Place.** The responses to the consultation were overwhelmingly positive and the concerns raised will be addressed.

**Grounds Maintenance.** Northumberland County Council performed well on grounds maintenance and no complaints had been received. Karbon Homes had issues during the past year however they have now brought this in house and have started this year much better.

**Roads/Highways.** There is more to do including fixing wonky signs and bollards. Hopefully we will see a noticeable improvement in gully cleansing. Cllr Oliver is to have a walk around with the Head of Western Highways in the next couple of weeks to address some of the issues. Cllr Oliver is to follow up on the implementation of the 20mph limit in the village centre.

**Cycle Lane.** This is a significant project creating a route from Hexham to Corbridge. Discussions are still ongoing as to the route.

**Corchester Field.** There has been a positive response to the improvements in the area and it is pleasing to see that it is being very well used.

**Skatepark.** The replacement of the skatepark is in abeyance as the work on the pumping station is still to be completed.

**Milkwell Development** is nearing completion, and it is hoped Northumberland County Council will adopt the roads by the end of the year.

**Farnley Footpath** should be installed later this year, September/October.

Cllr Oliver also thanked the councillors, staff and Ian Wylie.
4. **RESOLUTIONS.** There were no resolutions to consider.
5. **THERE** being no further matters raised for discussion, the Chairman declared the meeting closed at 7.25pm.

Signed as a true and accurate record..... Chairman      Date .....
